Morning is bad. I could do 1:00 pm to 2:30.

Tom - do you want to find us a room from which to call Erin? I expect to be in the office.

Tomorrow I'm available 8:00a -- 11:45a and 1:00p to ~2:30p.
I'll freshen up my memory on all things project purpose -- and what we did in other programmatic (tiered) efforts.

Are you around on Wednesday?

Marc Ebbin is pushing the idea of a "regional LEDPA" for everything associated with the peripheral canal/BDCP. I have attached the bulleted concept paper they sent over today.

Erin and I are going to talk about this some time tomorrow, and we would love to pick your brain on this.
BTW, the same concept is coming up for decision time in Placer County. It would be poetic justice if you and Erin had to think about that one too.

But right now, I'm mainly concerned about the BDCP issue.

Here's the concept paper:
